COMPUTER SPECIALIST: ACCOUNTING PROGRAM

If you have an eye for detail and like working with numbers, a career in Accounting is right for you. Central Coast College (CCC) is a great place to get trained. The Computer Specialist: Accounting program at Central Coast College prepares you for a career in accounting with an emphasis on General Ledger, Accounts Payable and Receivable, Payroll as well as Microsoft Office® programs training.

Program Length: 48 Weeks

Classroom Hours: 680 Hours (249 Lecture + 321 Lab + 110 Externship)

Career Highlights & Opportunity

As a Computer Specialist in Accounting, you will be a support team member, completing administrative and bookkeeping tasks using computers and related software programs provide facts, figures and financial information that is needed in business.

According to the U.S. Bureau of Labor Statistics (BLS) in 2020, the median annual salary for bookkeeping, accounting, and auditing clerks, including computer accounting specialists, was \$42,410. The BLS also reported that accounting, tax preparation, and payroll services employed the highest number of such workers among all industries. Computer accounting specialists perform a variety of accounting duties using state-of-the-art computer technology. They work in positions such as payroll clerk, bookkeeper, accounting clerk, and accounting receptionist. In a smaller business, they may keep the general ledger or contact customers as part of the job.
